

The NCE karting event - Whilton Mill, 17th August 2010

The fourth year of **NCE's Annual Customer Karting Event** was, once again, a hugely popular (and over-subscribed) event with 120 Drivers making up the 30 Teams on the night. As before, the British Summer Weather lived up to its "variable" standards with the first qualifying run resembling a scene from the Boat Race as opposed to a Karting affair. Thankfully things had (relatively) dried out by the time the second qualifying run commenced, giving the Drivers the opportunity to familiarise themselves with the 850m "National Circuit" in the Twin-Engine Pro Karts.

The Two Hour Endurance Races, split into 2 groups (one of 20 on the National Circuit and one of 10 on the Mill Track) saw many drivers "run out of talent" (to use the industry term) on their first few laps as their Karts took rather more rugged routes around the circuits. Thankfully the dust settled and as the sun set over the horizon the cream rose to the top of each race. At the end of the evening prizes went to Steve, Peter, Adam and Barry who won the Race on the National Circuit, whilst Kevin, Oliver and Rainer took the plaudits on the Mill Track. The feedback since the event from those that took part says it all:

Our whole team had a great evening

The Best NCE Karting Event I've attended to date

Well organised and an enjoyable event

Loads of fun

Excellent Fun we all enjoyed it

Most enjoyable evening

Great Event
